

**McCarrons Lakefront Alliance – 2020 Annual Meeting**  
**Agenda**  
**Thursday, Nov. 19, 6:30 p.m. Over Zoom**

Introductions and welcome

Guest speakers: Lindsay Schwantes and Joe Sellner from the Capitol Region Watershed District. They will discuss management of Lake McCarrons and ways neighbors can get involved to ensure the lake stays healthy.

Guest speaker: Justin Townsend, Ramsey County Aquatic Invasive Species coordinator, will provide an update on invasive species surveys done on the lake this year. Chris Sluis will also share details from McCarrons Lakefront Alliance zebra mussel monitoring. Justin will also talk about the county's E. coli mitigation efforts.

Board business (We are abbreviating board business this quarter to focus on speakers)
